

Name _____

Date _____

Writing Titles

In handwritten work, we should follow the rules below to **write titles**:

Rule 1: Underline titles of longer works, such as books, movies, and plays.

Rule 2: In word-processed papers, write these types of titles in italics.

Rule 3: Place titles of shorter works, such as stories, poems, and songs, inside quotation marks in both written and word-processed work.

Rewrite each sentence correctly, applying the appropriate capitalization and formatting for titles.

1. I printed a copy of exploring the wonders of nature from the national park website.

2. I reserved the book protecting our forests from destruction.

3. campfire songs for the wild is sung around many campfires.

4. One of my favorite movies is the secret galaxy.
