

Name _____

Date _____

Adjectives and Adverbs

Adjectives describe or modify noun or a pronoun. They often tell what kind or how many.

Adverbs describes or modify a verb, an adjective, or another adverb. Adverbs often tell how, when, where, to what extend or what degree.

Analyze how adjectives or adverbs work in each sentence. Then, fill in the chart below.

1. While the exhausted hikers rested briefly at the top, they admired the breathtaking view of the valley below.
2. Carefully designed by expert engineers, the towering bridge was built to withstand extremely strong winds.
3. Since the weather turned unusually cold, the family wore thick coats to stay warm during the festival.
4. Despite her carefully planned schedule, Emma accidentally missed the highly anticipated meeting.

No.	Adjectives and Words They Describe	Adverbs and Words They Describe
1	exhausted modifies _____	_____ modifies rested
2	_____ modifies bridge	extremely modifies _____
3	thick modifies _____	_____ modifies cold
4	_____ modifies schedule	highly modifies _____
