Make Ten

G1

Make Ten is a foundational math strategy where students learn to combine numbers to equal 10. This helps first graders develop number sense, understand addition facts, and build mental math skills for future arithmetic operations.

Q1 Sam has 6 toys. How many more toys does he need to make 10?

A. 3**B.** 4**C.** 5**D.** 6

Q2 There are 7 birds in a tree. How many more birds need to come to make 10 birds?
