Describe Positions Using Above And Below

G1

Above and below describe where things are. Above means higher, and below means lower. Learning these words helps us talk about positions and understand where objects are in relation to each other.

Q1 Which object is above the chair?

- A. Lamp
- C. Book

- B. Rug
- D. Pillow

Q2 Which object is below the table?

- A. Plate
- C. Clock

- B. Floor
- D. Cup

Q3 Where is the balloon located?

- A. Above the tree
- C. Next to the tree

- B. Below the tree
- D. Inside the tree

Q4 Which object is above the bed?

- A. Blanket
- C. Shoes

- B. Ceiling fan
- D. Carpet
