

Name _____

Date _____

Manipulate

Manipulation is a way to play with words. When we get a word, we can make new words by adding(+), deleting(-), changing, or inserting sounds within a word.

Example:

sand - s → ~~s~~and → and, s + lip → **s** lip → slip

Read the picture word. Then, make a new word.

1

-/n/

snake

2

/k/ +

lock

3

/s/ +

top

4

/s/ +

tree

+/t/

5

/r/ +

ice
