Story Elements

Story elements are the parts that make up a story. Read the chart to see three important elements in a story.

Character	Who are in the story.
Setting	Where and when the story happens.
Plot	What happens in the story.

Fill in the map based on the underlined part.

Whose Puppy is it?

Sally found a little brown puppy in the park yesterday. The puppy was crying because it couldn't find its home.

Sally was sad to see the puppy so upset. She took the puppy to her house and gave it some water and food. Then Sally and her mom put up posters around the neighborhood.

The next day, a nice man called them. It was the puppy's owner! The man was so happy to find his puppy, and Sally felt good about helping.
