Visualize

As you read, try to **visualize**, or **form pictures in your mind**. Look for words that tell how things look, taste, smell, feel, and sound.

Read the story and write or draw the images in your mind.

A Day at the Beach

I walk on the warm sand. It is soft under my feet. The sun is bright in the sky. I hear the waves go "crash" on the shore.

I pick up a shell. It is bumpy and hard. The air smells salty. The wind blows on my face. I taste salt in the air. I see kids playing and building big sandcastles.
