Context Clues

Context clues are words in the sentence or a paragraph that help you figure out the meaning of a difficult word that you don't know.

Example: Lila was **ecstatic** when she found out she had won first place in the art competition; she jumped up and down. From the girl's behaviors, **ecstatic** means **very happy or overjoyed**.

Read the passage. Then circle the best meaning for each bold word.

The discovery of the ancient **artifact** was a remarkable moment for the archaeologists. It was found in a remote **excavation** site where no significant findings had been made before. The artifact, a beautifully **adorned** vase, was believed to be from a **prosperous** era in history when art and culture flourished. Its intricate designs were **meticulously** crafted, and its condition was surprisingly **pristine** despite being buried for centuries. The team's next step was to **collaborate** with historians to determine its **provenance** and uncover its historical significance.
