## Environment Words with Prefixes (Grade 5)

Add the prefix and write the new words and their meaning.  
The first one is done for you.

| Prefix + | Root Word =     | New Word  | Meaning                        |
|----------|-----------------|-----------|--------------------------------|
| out +    | spoken =        | outspoken | To speak strongly and honestly |
| inter +  | cept =          |           |                                |
| inter +  | vene =          |           |                                |
| ex +     | port =          |           |                                |
| trans +  | mit =           |           |                                |
| co +     | operate =       |           |                                |
| re +     | presentatives = |           |                                |
| re +     | use =           |           |                                |
