Well-Organized Explanatory Texts

Writing Prompt

Write as a Reader

Write a Literary Response

In a literary response, you give your opinion, or personal feelings, about a story or article. You support your opinion with reasons and details.

Writing Checklist

A good literary response

- starts with a summary
- states an opinion
- supports it with reasons
- uses details from the story or article.

Writing Frames

- I think this story was _____ because _____
- My favorite part of this story was _____
- Some things I didn't like were _____
