Writing Prompt

Write as a Storyteller

Write Science Fiction

Write a science-fiction story about someone using a new invention to explore a geologic feature on Earth or another planet, such as Mars. Share your story with your classmates at a science-fiction convention.

Writing Checklist

A good science-fiction story

- set in the future
- features imaginary scientific discoveries
- centers on a conflict with a clear beginning, middle, and end
- uses accurate scientific terms

Writing Frames

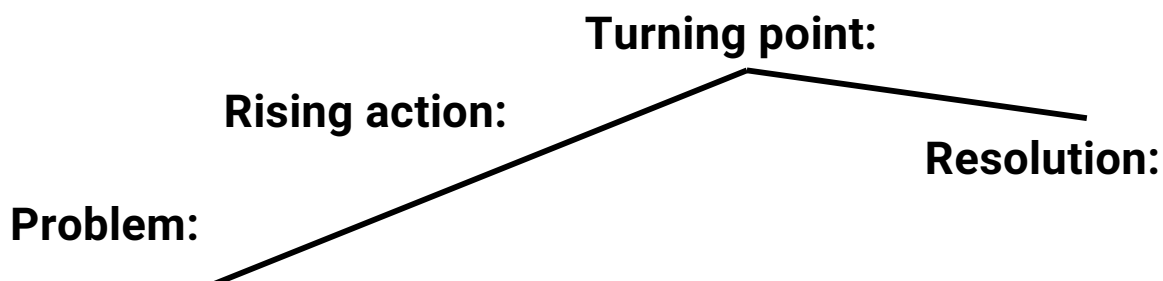

- My invention might be _____
- I'd like to include some facts about _____
- My character will explore _____
