## Perfect Tenses (Present and Past)

**The present tense** shows action that is happening now. **The past tense** shows that an action already happened. Form the past tense by adding -ed to the end of a regular verb.

**Read the following sentences and classify the verb tenses as present perfect tense or past perfect tense.**

| Sentence                                     | Tense of Verb |
|----------------------------------------------|---------------|
| I have visited the museum twice.             |               |
| She had finished her homework.               |               |
| We have cleaned the house already.           |               |
| They had eaten breakfast before the meeting. |               |

**Complete the sentences in context.**

- a. Before the teacher arrived, we \_\_\_\_\_ (complete) the group project.
- b. I \_\_\_\_\_ (not finish) my part yet.
- c. The students \_\_\_\_\_ (present) their project to the class already.
