

Name _____

Date _____

Advanced Capitalization Rules

Capitalization rules determine which words in a sentence, title, or other text should start with a capital letter. These rules also apply to more specific contexts, such as historical events, important documents, and geographical features.

Rewrite the sentence with proper capitalization.

1. the mississippi river runs through several states in the united states.

2. thomas jefferson drafted the declaration of independence.

3. during world war ii, the pearl harbor attack led to america's involvement in the war.

4. the rocky mountains stretch across several states in north america.

5. the niagara falls is one of the most famous waterfalls in the world.
