Author's Craft: Use of Evidence

Use of Evidence refers to how an author selects and presents evidence to support their ideas or arguments. It examines the quality, relevance, and effectiveness of the evidence, as well as how it influences the reader's understanding.

Answer the questions to evaluate the author's choices and compare their approaches to the topic.

Unlocking Potential Through Books

The school library is a treasure for students. It provides hundreds of books that help students explore new ideas, dream big, and learn about the world around them. Research shows that students who read regularly score better on tests. Expanding the library's collection will benefit the entire school community.

1. Tone: What tone does the author use in the passage? (e.g., encouraging, persuasive, neutral)

2. Evidence: What evidence does the author use to support the argument?

3. Structure: Is the structure effective in presenting the argument? Why or why not?

Author's Craft: Use of Evidence – Answer Key

Use of Evidence refers to how an author selects and presents evidence to support their ideas or arguments. It examines the quality, relevance, and effectiveness of the evidence, as well as how it influences the reader's understanding.

Answer the questions to evaluate the author's choices and compare their approaches to the topic.

Unlocking Potential Through Books

The school library is a treasure for students. It provides hundreds of books that help students explore new ideas, dream big, and learn about the world around them. Research shows that students who read regularly score better on tests. Expanding the library's collection will benefit the entire school community.

1. Tone: What tone does the author use in the passage? (e.g., encouraging, persuasive, neutral)

Encouraging and positive, emphasizing the benefits of the library.

2. Evidence: What evidence does the author use to support the argument?

The passage uses research linking reading to improved test scores.

3. Structure: Is the structure effective in presenting the argument? Why or why not?

The structure is focused and persuasive, clearly emphasizing the library's value.
