

Name _____

Date _____

Parallel Structure Within a Sentence

Parallel Structure refers to the use of consistent grammatical patterns when listing or comparing ideas in writing. It ensures that all parts of a sentence follow the same structure, making the sentence clear, balanced, and easier to read.

Circle the sentence in each pair that correctly uses parallel structure.

1. A. She enjoys reading books, drawing pictures, and to play outside.
B. She enjoys reading books, drawing pictures, and playing outside.
2. A. The garden is full of flowers, buzzing with bees, and has a small pond.
B. The garden is full of flowers, buzzing with bees, and a small pond.
3. A. He cleaned the kitchen, swept the floor, and took out the trash.
B. He cleaned the kitchen, swept the floor, and taking out the trash.
4. A. The movie was exciting, funny, and had great special effects.
B. The movie was exciting, funny, and full of great special effects.
5. A. She plans to exercise every morning, drink plenty of water, and sleeping early.
B. She plans to exercise every morning, drink plenty of water, and sleep early.
