The Use of Advanced Transitions

Transitions are words or phrases that help connect ideas in writing, improving both **logic** and **coherence**. They guide readers through the writer's thoughts and help clarify relationships between sentences and paragraphs.

1. Below is a collection of transitions. Color the opinion transitions red, the reason transitions yellow, and example transitions blue.

I consider	Due to	From my perspective	Given that	For example
The reason for	In my view	Based on	I feel that	To support this
The research indicates	Since	As far as I'm concerned	For instant	An example of this

2. Choose no less than three transitions from the chart above to express your opinions about the following topic: "Why it is important to protect the environment." The answer varies.

The Use of Advanced Transitions – Answer Key

Transitions are words or phrases that help connect ideas in writing, improving both **logic** and **coherence**. They guide readers through the writer's thoughts and help clarify relationships between sentences and paragraphs.

1. Below is a collection of transitions. Color the opinion transitions red, the reason transitions yellow, and example transitions blue.

I consider	Due to	From my perspective	Given that	For example
The reason for	In my view	Based on	I feel that	To support this
The research indicates	Since	As far as I'm concerned	For instant	An example of this

2. Choose no less than three transitions from the chart above to express your opinions about the following topic: "Why it is important to protect the environment." The answer varies.

In my view, protecting the environment is essential for the survival of future generations. **The reason for this** is that pollution and deforestation have caused significant harm to the planet. **For instance**, many species are losing their habitats due to human activities. **Based on** scientific research, if we do not take action now, the damage to the environment will become irreversible.
