Organize Ideas in a Graphic Organizer – Answer Key

Write about your topic:

What is something you would like to convince other people of? Write your idea below, then use the graphic organizer to list three reasons why you feel this way.

After analyzing the prompt, Nick cares about improving school environment. Here are some words or phrases, pick up and organize them in the chart.

cleaner air	science experiments
oxygen	bright sunshine
shade	soccer practice
comfortable space	teamwork
factory machines	picnic area
hot summer days	school gardening club
reduce pollution	learning about nature

Reason 1: Trees make the air cleaner by reducing pollution and providing fresh oxygen, creating a healthier environment for everyone.

Reason 2: Trees provide shade and a comfortable space for students during hot summer days, and they make outdoors like picnic spots more enjoyable.

Reason 3: Planting trees is a teamwork activity where students learn about nature and do science experiments.
