Draft Connected Paragraphs

Read the prompt carefully. Write two connected paragraphs with a topic sentence, details, and a summary. Use transitions (e.g., also, next, because, finally) to make your ideas flow smoothly.

Follow the prompt below and write two connected paragraphs.

Imagine that your best friend has decided to start a new hobby. Write two connected paragraphs about your favorite hobby and explain why your friend should try it!

- In the first paragraph, introduce your favorite hobby and explain why it's fun.
- In the second paragraph, describe how your friend could benefit from trying this hobby, using examples to support your ideas.

Paragraph1:

Paragraph2:

Draft Connected Paragraphs – Answer Key

Read the prompt carefully. Write two connected paragraphs with a topic sentence, details, and a summary. Use transitions (e.g., also, next, because, finally) to make your ideas flow smoothly.

Follow the prompt below and write two connected paragraphs.

Imagine that your best friend has decided to start a new hobby. Write two connected paragraphs about your favorite hobby and explain why your friend should try it!

- In the first paragraph, introduce your favorite hobby and explain why it's fun.
- In the second paragraph, describe how your friend could benefit from trying this hobby, using examples to support your ideas.

Paragraph1: My favorite hobby is reading because it's fun and relaxing. It takes me to new places and teaches me interesting things. I love imagining the stories and characters, and I can read anywhere!

Paragraph2: I think my best friend should try reading because it's both fun and useful. You can learn new facts, improve your imagination, and relax after a busy day. I'm sure you would enjoy discovering exciting stories too!
