Conventions: Sentence Fragments and Punctuation Errors

Sentence fragments disrupt the flow of writing and may confuse the reader. **Proper punctuation**, such as commas, quotation marks, and periods, ensures clarity and readability. Mastering conventions is essential for accurate written communication.

Read the draft below about a historical event and correct any sentence fragments, punctuation errors, or spelling mistakes.

On July 20, 1969. Neil Armstrong and Buzz Aldrin made history by landing on the moon. The Apollo 11 mission a remarkable achievement in human exploration.

Armstrong's words, "That's one small step for man, one giant leap for mankind". Still inspire millions of people today. The astronauts spent about twenty-one hours on the moon's surface collecting samples taking photographs and conducting experiments. This mission proved that humanity could achieve extraordinary goals through science and teamwork.

***Write a short paragraph about a historical figure you admire. Ensure your sentences are complete and punctuated correctly.**
