Phrasing

Phrasing in reading fluency is about how you group words together when you read out loud. Instead of reading word by word in a choppy way, phrasing helps you sound natural and smooth, like how people talk in conversations.

Read the story with proper phrasing.

Reading Text	Wordcount
"Are you ready for our camping trip?" asked	8
Dad excitedly. The family packed their bags	15
and drove to the forest. When they arrived,	23
Mom said, "Let's set up the tent before it gets	33
dark." As the sun went down, they heard	41
strange sounds. "Hoo! Hoo!" went an owl.	48
"What was that?" whispered little Emma,	54
feeling scared.	56

Use the formula to measure your accuracy and rate while reading aloud.

$$\frac{\text{Words read in one minute}}{\text{Numbers of errors}} = \text{Words correct per minute(WCPM)}$$
