## Genre Features: Fairy Tale

A **genre feature** is what makes a story, movie, or book belong to a certain type or category.

### Examples:

Fairy tales have talking animals or magic.

Mystery stories have clues and solving puzzles.

**Read the fairy tale. Color the features it has.**

### The Kind Fox

Max, a small fox, saw a bird stuck in a bush. "Help me!" the bird said. Max pulled the bush, and the bird was free. "Thank you!" said the bird. The next day, Max found a shiny nut at his door. Kindness always brings gifts!

**"The Kind Fox" is a fairy tale because:**

- The fox helps the bird.
- The story is about a real fox.
- The fox eats the bird.
- Animals act like people.
- The story teaches kindness.
