Revise: Move the Sentence

Revising means making your writing better by adding, changing, or moving ideas. We ask: "Does this make sense?" "Can I make it clearer?" "What details should I add?"

Read the story. Choose the right answer.

I learned about Lunar New Year in school. Families celebrate together. ¹ It is a big holiday in China. Kids get red envelopes with money. People eat dumplings and other foods. There are dragon dances and fireworks. I think dragon dances look fun. ² I wonder if dumplings taste good!

1 Why did the write move the sentence here?

- A. Explain the holiday first and then the activities.
- B. To shorten the paragraph.
- C. To show family celebrations are important.

2 Which should be added here?

- A. and excited
- B. and exciting
- C. but boring
