

Name _____

Date _____

Blend Syllables into a Word

A **blend** is when we put two or more sounds together to make a word.

Example:

in the word "stop," you can hear the /s/, /t/, /o/, and /p/ sounds working together to make one word.

Use syllable division to break words into syllables.

1. ten + nis = _____

2. sun + set = _____

3. lob + ster = _____

4. rab + bit = _____

5. gum + drop = _____

6. paln + et = _____

7. mon + ster = _____

8. pup + pet = _____

9. rib + bon = _____
