## Affix and Inflections

**Affixes** are word parts added to base words or root words to change their meaning or grammatical function. **Inflections** are a special type of suffix that change the grammatical form of a word without changing its basic meaning or part of speech.

**Add the correct prefix to make a word that matches the definition. Prefixes: un-, re-, dis-**

- |                         |                         |
|-------------------------|-------------------------|
| 1. ___happy = not happy | 5. ___agree = not agree |
| 2. ___read = read again | 6. ___play = play again |
| 3. ___like = not like   | 7. ___kind = not kind   |
| 4. ___fair = not fair   | 8. ___lock = not locked |

**Choose the word with the correct ending reflection.**

1. She is a fast run\_\_\_\_\_. (ner/er)
