## Identify Fact and Opinion

A **fact** is something true that can be checked or proven. An **opinion** is what someone thinks or feels. It cannot always be proven true. Knowing the difference helps understand what the text is saying.

**Read the passage and choose the correct answer.**

Dogs are animals that bark. They need food, water, and care to stay healthy. Many people think dogs are friendly and make great pets. Some people say cats are easier to take care of than dogs. Do you agree? Either way, both dogs and cats are popular pets.

**1. Which sentence is a fact?**

- A. Dogs are animals that bark.
- B. Dogs make great pets.
- C. Cats are easier to take care of than dogs.

**2. Which sentence is an opinion?**

- A. Dogs need food and water to stay healthy.
- B. Dogs are friendly and make great pets.
- C. Dogs are animals that bark.
