

Name _____

Date _____

More Pronouns

Pronouns are words that replace nouns, like he, she, or it. They make sentences shorter and clearer. Learning pronouns helps students talk about people, places, and things without repeating the same words.

Underline the action verbs (words that show what someone or something does).

1. Maria loves to dance. _____ loves to dance.
2. Give the pencil to Tom. Give the pencil to _____.
3. The cat is sleeping on the couch. _____ is sleeping on the couch.
4. My friends and I are going to the movies. _____ are going to the movies.
5. The teacher read a story to the children. The teacher read a story to _____.

Choose the correct pronoun for each sentence.

1. (I/me) like to eat ice cream. _____
2. Can you help (I/me) with my homework? _____
3. (She/her) is my best friend. _____
4. The dog followed (we/us) home. _____
5. (They/them) are playing in the park. _____
