## Types of Prepositional Phrase

**A prepositional phrase** is a group of words that starts with a preposition (like in, on, at, by) and tells us more about when, where, how, or which direction something happens.

**Example:**

**Time:** We finish our homework after dinner.

**Underline the best word to complete each sentence.**

- We eat breakfast in the morning. (Time, Location, Details)
- The cat is sleeping under the tree. (Time, Location, Direction)
- She walked to the store. (Location, Details, Direction)
- He spoke in a whisper. (Time, Details, Direction)

**Choose the best prepositional phrase from the box to complete each sentence.**

**Word Box:** at night, in the kitchen, with a fork

- Mom is cooking dinner \_\_\_\_\_.
- I eat my food \_\_\_\_\_.
- The owl hoots \_\_\_\_\_.
