Sequence of Events

Sequence of events means the order in which things happen in a story. To understand the sequence, look for clues like first, next, then, and last. These words help show what happens at the beginning, middle, and end of the story.

Read the passage and choose the correct answer.

Anna woke up early on Saturday morning. First, she brushed her teeth and washed her face. Then, she went to the kitchen to eat breakfast. She had pancakes with syrup and a glass of milk. Next, Anna put on her sneakers and went outside to play. She rode her bike around the park and stopped to play on the swings. Last, she returned home and helped her mom bake cookies for the afternoon. It was a fun and busy morning!
