

Name _____

Date _____

Literary Genre Features

A **genre** is a type or category of book or story. Each genre has special features that make it different from other types of books. Think of genres like different types of pets - dogs, cats, and fish are all different types of pets with different **features**!

Read each description and write which genre it describes: Fiction, Nonfiction, Poetry, or Fairy Tale.

1. A book about real dinosaurs with photographs.

2. A story about a princess who finds a magic lamp.

3. A made-up story about a boy and his pet dog.

4. A nursery rhyme about Humpty Dumpty.

Draw lines to match each genre with its special features.

1. Fiction - Has real facts and photographs

2. Nonfiction - Has rhythm and rhyme

3. Poetry - Has magic and "Once upon a time"

4. Fairy Tales - Has made-up characters and stories
