## Types of Figurative Language

**Figurative language** uses words or expressions with meanings different from their literal interpretation. It creates vivid images, adds emphasis, and makes writing more interesting and expressive.

1. **"The classroom was a zoo after the teacher left." This is an example of:**

- |                    |              |
|--------------------|--------------|
| A. simile          | C. metaphor  |
| B. personification | D. hyperbole |

2. **"She runs as fast as lightning" is an example of:**

- |                 |                 |
|-----------------|-----------------|
| A. metaphor     | C. simile       |
| B. alliteration | D. onomatopoeia |

3. **"The wind whispered through the trees" is an example of:**

- |                    |             |
|--------------------|-------------|
| A. hyperbole       | C. metaphor |
| B. personification | D. idiom    |
