Context Clues: Definition and Example Clues

Context clues are hints in sentences that help us figure out what new or unfamiliar words mean. Instead of stopping to look up every word, we can be "word detectives" and use the clues around the word!

1. The enormous elephant was much bigger than the tiny mouse. What does enormous mean?

- | | |
|---------------|-------------|
| A. gray | C. friendly |
| B. very large | D. scary |

2. I was famished after not eating all day, so I ate a huge dinner. What does famished mean?

- | | |
|----------------|----------|
| A. very hungry | C. tired |
| B. excited | D. cold |

3. The kitten was adorable with its soft fur and tiny paws. What does adorable mean?

- | | |
|----------|--------------|
| A. scary | C. very cute |
| B. large | D. fast |
